doesn't end there. Thank you for the service work you do, it keeps NA alive and assures that the program of Narcotics Anonymous will always be there for the next suffering addict seeking recovery.

### **Officer Reports**

**Chair:**

**Vice Chair:**

**Greetings Area,**

As you can see, our chair person is not here, so I will do my best to fill in today. As your vice chair I don't have much to report, just the usual.

Please do not sit on the furniture lining the outside of the room. We have use of this room, the restrooms; the quiet room behind me and the kitchen for clean up purposes only. Smoking is allowed on the sidewalk, not on the senior center property. A butt can has been provided, please use it. That's all for now, thank you for letting me be of service.

Gratefully,

Terry T.

**RCM I:**

**Greetings Area,**

I have brought copies of our Regional Delegates report to ASC today, and the secretary and/or webservant will receive one as well to put in our area minutes. Now for the big news. A lot of info went on at Region and more will be coming your way. Every two years the Conference Agenda Report (CAR) comes out, and this is that year. There is a lot of information to go back to groups and everyone carries a vote. A PDF version of the CAR can be found on our world web site, under periodicals and reports. You can only download, not print the PDF. The password needed on right hand side of the screen is WSC2012 (use caps). We also hope to have the CAR available on our website home page as well. In addition there will be a workshop held about the CAR and service system proposal at Clean n Free, for those of you who will be there and are interested in going. Nick, our Alt. Regional Delegate will be telling us all about the CAR at our next ASC on March 4, 2012. These motions will be brought back to groups by the GSR's and will be voted on at the April ASC, so that the RCM's can bring those votes to Region in April as well. There may be a lot of changes coming up and all of you have a voice in this. Anyone present at the April ASC can vote regarding the CAR motions, not just GSR's. So please get the info. and be involved in this process.

**Public Relations Chair:**

Happy Superbowl Sunday!

We had a lively, but nicely short PR meeting today. A few things of note:As the RCM will report – the World Service Conference (the world level business meeting) is in April, and if you're interested in what they're discussing, there are some links to that info on our website.Working on further website changes – stay tuned – but overall the site is up and running well.All Area trusted servants have e-mail addresses now, ending in cwana.org – to help facilitate better communication. They are available on the website.We are having continuing discussions about literature distribution – how to best use our trusted servants and lit resources. On a high note, through a lot of footwork, we can now put literature in Sundown! Yay!On a low note, I'm no longer able to fill the duties of PR chair. I will complete my duties for today, then the PR committee will handle them moving forward. Of note there – we're obviously in need of a PR chair, also a PR lit chair, and some divisional chairs.

ILS,

Bo C
