*Clean and Free*

*Surrender to Win*

*Clean and Free by the Sea began in 1983 as a small retreat in the resort town of Ocean Shores, WA, with 60 addicts in attendance. Today we fill the town with approximately 3000 addicts who come to celebrate recovery from the disease of addiction.*

This year we have two main speakers on both Friday and Saturday to help with overcrowding issues. We hope to accommodate all those wishing to attend this celebration of recovery.

Main speaker meetings will occur at both the Convention Center and at the Quinault Beach Resort at the same times on Friday and Saturday nights. Please choose which event you want to attend. Tickets will be required to attend Friday and Saturday night main speaker meetings. Attendance for each venue will be limited according to the fire code restrictions. All events held at the Quinault Beach Resort are accessible at a separate entrance.
